AMENDMENT

FIRST CLASS CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail with suff postage in an envelope addressed to the Commissioner for Patents, Washington, D.C. 20231-0001 on January 25, 2002

Sir:

In response to the Office Action mailed September 25, 2001, Applicant respectfully requests the Examiner to enter this amendment and to consider the following remarks.

IN THE CLAIMS

Following are the claims as amended herein and are currently pending for consideration:

1. A method for managing a computer system, comprising:

B

initiating a reset of the computer system from a remote location; and running diagnostic software on the computer system downloaded from the remote location, said diagnostic software being enabled to diagnose said computer system without using an operating system stored within said computer system.
